

1

7.4.2: Analyze examples of

cause & effect.

Cause

Effect

2—A stranger

*For each event I have given you,
please tell me:*

was painting

*1. What the effect of each was (both for
the character and the narrator)? AND*

on the wall.

*2. Why it is important to the story? How
does it move things along?*

3—The twins

try to give the

painter dinner.

4—The lady

is, 'picky,'

about her food.

5—The boys

learn about

spray painting.

6—The mural

is completed.
